OUR FLEET

WE DOCK CLOSER

Our commitment to **destination immersion** means you can maximize every precious moment of your journey, indulging in cultural encounters, culinary delights, and unrushed exploration. Unlike larger ships that anchor far from the action, **our intimate small ships grant you direct access to the heart of the city.** This means no tedious shuttle buses or time-consuming transfers, just seamless transitions from ship to shore, allowing you to immerse yourself in the vibrant energy of each locale from the moment you step off the ship.

Let us show you the unparalleled advantage of docking directly at the doorstep of the world's most captivating destinations.

OUR CREW

THE BEST PART OF THE TRIP

From the moment you step onboard, our staff is ready to go above and beyond to make your voyage the best it can possibly be.

It's about paying attention to the small details and providing guests with an enhanced level of personal attention made possible by our smaller-sized ships. Guests say they come for the destinations but come back for the crew. And nothing makes us happier than welcoming you back onboard year after year.

WHY AZAMARA®

SMALLER SHIPS. LONGER STAYS. MEANINGFUL EXPERIENCES
